

Introduction into Personal Security, Privacy & Scams

Tuesday June 22nd 6 pm @ St. Clair City Hall (547 N.
Carney Dr, St Clair MI)

Learn about ways to protect your personal information and data online.

Learn about ways to protect your cell phone and personal computer.

Educate yourself on trending online computer, email, text and telephone scams so you don't become a victim.

This lecture is for anyone who would like to educate themselves and have a better understanding in this world of digital technology and intellectual scams.

The instructor for this lecture will be Corporal Don Ennis from the St. Clair Police Dept.

We have a limit of 30 seats available. Please reserve your spot by calling 810-329-5710 (M-F 9am-3pm) or email at SCPD@cityofstclair.com.

*Approved with COVID-19 precautions and all current health orders to be followed on the date of the event.
